

CURRICULUM VITAE

SHAHRZAD M. LARI, M.D.

I. PERSONAL INFORMATION

Date of Birth: May 3, 1974

Place of Birth: Mashhad, Iran

Citizenship: Iranian

Gender: female

Home address and telephone: # 2/99, Asrar-Gharbi Ave, Koye-Doctora, Mashhad

91836-33871, Iran; Tel: 98 (513) 8452146 ; cellphone: 98 (915)110 5824;

Fax: 98 (513) 8431252.

Professional address and telephone: Lung disease Research Center, Mashhad University of Medical Sciences (MUMS), Mashhad, Iran; Tel: 98 (513) 8012416

Language proficiency: Persian, English, French

E-mail: larish@mums.ac.ir

larish851@yahoo.com

II. PRESENT ACADEMIC RANK AND POSITION

Associate Professor of Pulmonology

Head of Lung disease Research Center

Mashhad University of Medical Sciences (MUMS),

Mashhad, Iran

Tel: 98 (513) 8012416

III. EDUCATION (Include degrees and dates.)

Fellowship: Interventional Bronchoscopy

May 2010-Jan.2011, Foch Hospital, Paris,France

Subspeciality: Pulmonology

November 2006-November 2008, Mashhad University of Medical Sciences

Residency: Internal Medicine, September 2001- September 2005

August 2016

Mashhad University of Medical Sciences

Medical School:

Degree: Doctor of Medicine diplom, September 1992- September 1999

Medical Faculty, Mashhad

IV. BOARD CERTIFICATION

Iranian Board Certificate of Pulmonolgy September 2008.

Iranian Natianal Board Certificate of Internal Medicine, September 2005

V. Academic & Administrative Activities

Associate Professor of Pulmonology (from 2014)

Assistant Professor of Pulmonology (2009-2014)

Head of Lung Disease Research Center (2014 to present)

Member of Lung diseases and tuberculosis research center (2008 to present).

Assistant Editor of Journal of Cardio-Thoracic Medicine (2013 to present)

Member of European Respiratory Society (ERS) (2008 to present).

Member of American Thoracic Society (ATS) (2008 to present).

Member of Education Developmental Office (EDO), Mashhad University of Medical Sciences (2009 to present).

Member of Research Committee of Internal Medicine, Mashhad University of Medical Sciences (2009 to present).

Secretary of Student's Research Committee, Mashhad University of Medical Sciences (2002-2005)

VI. AWARD

The best oral presenting author in "Bu-Ali Research Festival", Mashhad University of Medical Sciences. December 2009, Mashhad, Iran.

Baharvahdat H, Lari SM, Etemadrezaee H, Shariati Z. The effect of fresh frozen plasma in preventing delayed intracranial hematoma in severe head injury. NNS 2004 student abstract competition, Sandiego, California, October 21-22, 2004

VII. BIBLIOGRAPHY

A. Book:

1. Lari MM, Lari SM, Hosseini FF(eds): HIV / AIDS Infection. Beh Nashr Co. 2003 (farsi).
2. Lari SM., Attaran D., Towhidi M. (2012). COPD due sulfur mustard (Mustard lung). In: OngKC (Ed.), Chronic obstructive pulmonary disease- Current concepts and practice (pp.231- 238). Croatia: InTech.

B. Journals

1. Lari SM, Ghobadi H, Attaran D, Mahmoodpour A, Shadkam O, Rostami M. COPD assessment test (CAT): simple tool for evaluating quality of life of chemical warfare patients with chronic obstructive pulmonary disease. Clin Respir J. 2014 Jan;8(1):116-23. (ISI, IF=2.19)
2. Rokni YH, Lari SM, Attaran D, Ayatollahi H, Mohsenizadeh A. The serum levels of adiponectin and leptin in mustard lung patients. Hum Exp Toxicol. 2014 Jun;33(6):574-81. (ISI, IF=1.453)
3. Khosravi Khorashad A, Salari S, Baharvahdat H, Hejazi S, Lari SM, Salari M, Mazloomi M, Lari SM. The assessment of undergraduate medical students' satisfaction levels with the objective structured clinical examination. Iran Red Crescent Med J. 2014 Aug;16(8):e13088. (ISI, IF=0.40)

31. Ghobadi H, Lari SM, Amani F, Habibzadeh Sh , Karimi A H, Pourfarzi P. The Impact of Treatment on Serum Level of Procalcitonin in Patients with Active Pulmonary Tuberculosis. *J Cardiothorac Med.* 2014; 2(4): 238-242.
32. Vakilian F, Attaran D, Shegofta M, Lari S, Ghare S. Assessment of Thyroid Function in Idiopathic Pulmonary Hypertension. *Res Cardiovasc Med.* 2016 Mar 5;5(2):e29361.(Pubmed).

C. Congress Presentations:

1. Extramedullary Haematopoiesis with spinal cord compression in β -thalassemia intermedia. The 4th international congress of hematology and Oncology, 2004 (poster presentation, abstract published in the seminar bulletin) (farsi).
2. The effect of fresh frozen plasma in preventing delayed intracranial hematoma in severe head injury. NNS 2004 student abstract competition, October 21-22, 2004, Sandiego, California.
3. Highly sensitive CRP: Is it a predictor of airway disease in mustard lung patients?

E-communication presentation, ERS congress, Sep. 2009, Vienna, Austria.

4. Health related quality of life in mustard lung patients. Poster presentation, ERS Congress, Sep. 2009, Vienna, Austria.

5. Comparisons of the eosinophil cationic protein (ECP) levels and eosinophil counts in sputum of mustard lung disease (MLD) and normal subjects. Poster presentation, ERS congress, Sep. 2009, Vienna, Austria.

6. IL-6 and airflow limitation in Mustard Lung patients. Oral Presentation. 4th International Iranian Congress of Pulmonary Disease in Collaboration with ERS, October 2009, Tehran, Iran.

7. Comparative evaluation of CA-125, CA 19-9, CA 15-3 and CEA in exudative benign and malignant pleural effusion. E-communication presentation, ERS congress, Sep. 2010, Barcelona, Spain.

8. Comparison the frequency of human T-lymphocyte type 1 (HTLV 1) infection in tuberculosis patients with control group without tuberculosis. Poster presentation, ERS congress, Sep. 2011, Amsterdam, The Netherlands.

9. The effects of atorvastatin in mustard gas exposed patients with chronic obstructive pulmonary disease: A randomized controlled trial. Poster presentation, ERS congress, Sep. 2012, Vienna, Austria.

10. The performance of COPD assessment test (CAT) in mustard lung patients. Poster presentation, ERS congress, Sep. 2012, Vienna, Austria.

11. The relationship between COPD assessment test (CAT) scores and severity of airflow obstruction in stable COPD patients. Poster presentation, ERS congress, Sep. 2012, Vienna, Austria.

12. The EDD (exercise, DLco, dyspnea) index in diffuse systemic sclerosis with pulmonary fibrosis. Poster presentation, ERS congress, Sep. 2012, Vienna, Austria.

13. Subjective (CAT, MMRC) versus objective (PFT, 6MWD, SPO2) assessment in stable COPD patients. Poster presentation, ERS congress, Sep. 2012, Vienna, Austria.

14. The Early Effectiveness Of Noninvasive Positive Pressure Ventilation On Right Ventricular Function In Chronic Obstructive Pulmonary Disease Patients With Acute Hypercapnic Respiratory Failure. ATS congress, May 2016, San Fransisco, USA.

August 2016

Interests:

Interventional Pulmonology, Lung Transplantation, COPD.
